

Superhero's holiday club at Belper Central Methodist church.

This year, Belper ran a holiday club aimed at primary school aged children, the holiday club was every Tuesday of the summer holiday and it was a holiday club based on superheroes of the Bible.

Each week we would learn about a specific Bible superhero such as Noah, Esther, David, Daniel and we finished nicely with Jesus.

Every Tuesday the children would learn about the superhero through play, games and craft.

The children had the opportunity to put the superheroes into modern day times by thinking of how their specific skill set back then can still be important to each one of us today.

Overall, we all had a fantastic time, I pray that the children were able to not just learn about those Bible superheroes but to also have fun in knowing that when they need help, they can think back on what the superheroes did and try it themselves.

It was a privilege and honour to be working alongside such a fabulous team, each volunteer put in so much time and effort and I thank them for that.

I believe that it is not just about planting the seed of faith in a child, it is also about being able to water that seed.

Sometimes you will have the fantastic opportunity of watching that child grow.

We started the superhero sessions with, Noah, then moved to Esther, then onto David, then Daniel and nicely finished the session on the 20th August with Jesus.

Remember, that Jesus is our superhero.

Here are just a few photos from the club, if you wish to see more, please don't hesitate to get in touch.
