### Presidency and JPIT reactions to COP26

"There is no easy path to achieving economies that provide sustainable livelihoods for all. Our world is riven with inequality, yet God gives us a vision of a different future. It is a future in which justice, including climate justice, is at the heart of our economic systems; a future which belongs to all and in which all are consulted, heard and therefore flourish."

"Let God's light, shining through us, be a blessing to those in most need of it, those in the throes of famine for food and for spiritual nourishment. New Places for New People are projects focused on forming new Christian communities for those not yet part of an existing church. They may look quite different from established churches because they will always reflect the new people encountering the love of God.

## Bible Month 2022

Bible Month is an annual campaign that celebrates scripture by inviting the whole Methodist Connexion to feast on one particular book of the Bible together.

In 2022, we're going to indulge ourselves in the Book of Isaiah - a highly significant book that sits right at the centre of the Bible, not only in terms of where it appears, but in terms of its theological significance.

We will be taking a thematic approach to the book, each week encouraging reflection on a different fundamental area from tough love to a new world.

Find out more about plans for next year [here](#).

### The Methodist Podcast

Text to mark Remembrance, this week's Methodist Podcast hears from a military chaplain and those serving past and present, plus we learn of the sacrifices made by animals during conflict and the legacy of the German graves on the island of Jersey. Listen [here](#).

# Christmas resources

---

This year we will be sharing resources that reflect the inclusive Methodist Church, offering an invitation to every person, no matter where they are on their faith journey, to enter into the joy and hope that the birth of Christ brings to all. The Christmas Service on a CD follows the Presidential theme of God's Table, An Invitation For All.

Our aim is to celebrate some of the elements of life that have been lacking over the last while.

Read more about the resources and find out how to order them [here](#).

### President on Premier Christian Radio

[Listen](#) to the Revd Sonia Hicks on Premier Radio earlier this week with Esther Higham. Sonia shared how, despite her great aunt being turned away by a Methodist minister because of the colour of her skin in the 1960s, the family were called back into the denomination which she now leads. Plus, she reveals the scripture which encourages anyone who feels rejected to take up their place at "God's table".
